Code of Behaviour Policy

Good behaviour is based on good relations between parents/guardians, child and school.

In Latnamard National School we hope to foster this ideal in co-operation with our parents/guardians. We have adopted a positive code of behaviour with emphasis on encouragement and reward so that good behaviour can prevail in our school.

The Board of Management of the school has ultimate responsibility for behaviour in the school. Within the school, the overall day to day responsibility for behaviour rests with the Principal. Each teacher has the responsibility for the maintenance of good behaviour and good order within his/her classroom while sharing a common responsibility for good behaviour within the school premises.

Parents/guardians can support the school by encouraging their children to understand the need for school rules, and by communicating any relevant concerns to the school.

Aims of the code

- To create a positive learning environment that encourages and reinforces good behaviour
- To promote self-esteem and positive relationships
- To encourage consistency of response to both positive and negative behaviour
- To foster a sense of responsibility and self-discipline in pupils and to support good behaviour patterns based on consideration and respect for the rights of others
- To facilitate the education and development of every child
- To foster caring attitudes to one another and to the environment
- To enable teachers to teach without disruption
- To ensure that the school's expectations and strategies are widely known and understood by the parents, availability of policies and an ethos of open communication is present in our school
- To encourage the involvement of both home and school in the implementation of this policy

All pupils are expected to behave in a reasonable manner both to themselves and to others, showing consideration, courtesy and respect for other pupils and adults at all times. Respect must be shown at all times. Respect must be shown for the property of the individual and of the school at all times.

Bullying or intimidation of other pupils is prohibited and is always regarded as a serious offence. Pupils must show respect for school property at all times. For reasons of safety and to minimise accidents, pupils should move about the school in an orderly manner.

Attendance/Education Welfare Act

Under the Education Welfare Act 2000, absences or lateness must be explained by a brief note written in school journal and signed by parent. Absences of 20 days or more must be referred by the school to Education Welfare Board. Any child wishing to leave school early must have a note signed by their parent. The Education Welfare Officer is available to support parents with attendance issues. Children with hospital or dental appointments on an ongoing basis should give a copy of appointments to office secretary. Parents/Guardians must sign out pupils who are collected early from school. Daily attendance and punctuality are required from pupils. School opens to receive pupils at 9:20a.m. each morning. After a pupil has been absent, a note from the parents must always be brought to the class teacher upon the pupil's return to school. When a pupil has to leave school early (i.e. before 3pm) a note from parents must be brought to

the class teacher stating the time at which the pupil is to leave. Please refer to School Attendance Policy.

Class Rules

At the beginning of each academic year, the class teacher will draft a list of class rules with the children, based closely on the "WOW wall" objectives. Class rules will be kept to a minimum and are devised with regard for the health, safety and welfare of all members of the school community. Where possible they emphasise positive behaviour (e.g. 'Walk' and not, 'Don't run'). Rules will be applied in a fair and consistent manner, with due regard to the age of the pupils and to individual difference. Where difficulties arise, parents will be contacted at an early stage.

Incentives/Reward System

Part of the vision of Latnamard NS is to help children achieve their personal best and thus prepare them for further education, life and work. We recognise that there are many different forms of intelligence and similarly that children use a variety of approaches to solve problems. Our reward system seeks to provide encouragement to all children of all abilities and talents. Children will be encouraged, praised and listened to by adults in the school. Praise is earned by the maintenance of good standards as well as by particularly noteworthy personal achievements. Rates of praise for behaviour should be as high as for work.

The following are some samples of how praise might be given:

- A quiet word or gesture to show approval
- A comment in a pupil's copy or homework journal
- A visit to another member of Staff or to the Principal for commendation
- A word of praise in front of a group or class
- Delegating some special responsibility or privilege
- A mention to parent, written or verbal communication
- 'Bualadh Bos' in class or special mention at assembly

Field trips, annual school tours and our end of year special event will be reserved for those who have consistently strived to behave well. In the Senior Classes we have incentives and rewards including the Class Dojo:

The 'Class Dojo operates as follows:

- Each child will get one stamp for good behaviour each day

Scoil Náisiúnta Leacht na mBard

Latnamard National School

Roll No: 16769H

- This stamp system will enable teachers to continually monitor, encourage and reward good behaviour throughout the school year
- If a school rule is broken, a teacher will remove a point
- Any teacher may withhold points from a pupil in school at any time
- A child will usually receive one warning and then will lose his/her point for any further misbehaviour
- If low scoring continues the teacher will meet with the child's parents/guardian
- If there is no improvement following parent/teacher meeting and if low scoring continues the class teacher and Principal will meet with parent/guardian to develop a behaviour management plan
- If there is no improvement at this stage the parent/guardian will be called to meet with the Principal and the Chairperson of the Board of Management where the situation will be discussed in detail. Guidelines will be drawn up for future behaviour in the school and playground. Very occasionally, this may include a request from the teacher/principal that the parent/guardian of the child supervise their child in school or during a school outing.
- The school reserves the right to arrange a meeting with the parents/guardians of a child at any time, should the child's behaviour be deemed to be unacceptable.
- If a parent refuses to meet with a class teacher the matter will be referred to the Principal. Any refusal to meet with the Principal and/or Chairperson will automatically be referred to the Board of Management and regarded as a serious breach of co-operation in our school behaviour policy.

Unacceptable Behaviour

Three levels of misbehaviour are recognised: Minor, Serious and Gross. All everyday instances of a minor nature are dealt with by the class teacher, or the supervising teacher at break-times. In cases of repeated serious misbehaviour or single instances of gross misbehaviour parents will be involved at an early stage and invited to meet the teacher and/or the principal to discuss their child's behaviour.

Examples of minor misbehaviour include:

- Bringing electronic equipment or mobile-phones to school
- Not wearing appropriate uniform; bringing in chewing-gum
- Not following instructions.

Examples of serious misbehaviour include:

- Behaviour that is hurtful (including bullying, harassment, discrimination and victimisation)

- Behaviour that interferes with teaching and learning
- Damage to property
- Theft
- Bringing dangerous equipment to school
- Leaving school/school activities without permission.

Examples of gross misbehaviour include:

- Assault on a teacher or pupil
- Threats or physical hurt to another person
- Serious Theft
- Serious Damage to property
- Serious bullying
- Unacceptable use of sexually explicit language causing offensive to any individual
- Carrying drugs, alcohol, cigarettes

Bullying is repeated aggression – physical, verbal or emotional - conducted by an individual or group against another or others.

- **PHYSICAL:** includes pushing, shoving, punching, kicking, poking, tripping, etc.
- **VERBAL:** name calling which hurts, sexual comments, insults or humiliates.
- **EMOTIONAL:** threats or persistent hurtful remarks regarding sensitive areas e.g. appearance, dress, progress, colour, culture and disability. Isolating or shunning a child. Threats to extort money or possessions. "Cyber/text" bullying.

The school takes particular care to intervene early in responding to the needs, fears or anxieties of individual members in a sensitive manner.

Issues in relation to Bullying are explored continually during SPHE lessons and using Circle Time, Drama, KiVa Programme, Friends for Life, Incredible Year, Zippy Friends etc.

Should a parent/guardian have any concerns which need to be discussed with a teacher, all staff members are more than willing to facilitate a meeting, made through the proper channels i.e. a phone call to the office, or a note to the class teacher to arrange a convenient time for both parties. The first person to be informed should be the class teacher.

This arrangement ensures that all concerns are dealt with in a dignified, meaningful manner, without infringing on valuable teaching time.

Isolated incidents of aggressive behaviour, while not to be condoned, cannot be described as bullying.

Incidents of bullying will be dealt with in the same manner as breaches of discipline – already outlined in our Code of Behaviour.

In the case where a parent reports a bullying incident, the school reserves the right to inform the relevant parties of the identity of the person making the complaint, when this is deemed necessary.

Sanctions

The purpose of a sanction is to bring about a change in behaviour by:

- helping students to learn that their behaviour is unacceptable
- helping them to recognise the effect of their actions and behaviour on others
- helping students (in ways appropriate to their age and development) to understand that they have choices about their own behaviour and that all choices have consequences
- helping them to learn to take responsibility for their behaviour.

A sanction may also:

- reinforce the boundaries set out in the code of behaviour
- signal to other students and to staff that their wellbeing is being protected.

In instances of more serious breaches of school standards, sanctions may be needed to:

- prevent serious disruption of teaching and learning
- keep the student, or other students or adults, safe.

The following steps will be taken when a child behaves inappropriately. The list is by no means exhaustive. Teachers may put in place alternative measures bearing in mind the circumstances involved. The aim of any sanction is to prevent the behaviour occurring again and if necessary to help the pupil devise strategies for this.

1. Reasoning with pupil
2. Verbal reprimand including advice on how to improve
3. Temporary separation from peers within class and/or temporary removal to another class
4. Prescribing extra work/ writing out the story of what happened
5. Loss of privileges

6. Detention during break or after school
7. Communication with parents
8. Referral to Principal
9. Principal communicating with parents
10. Exclusion (Suspension or Expulsion) from school (in accordance with Rule 130 of the Rules for National Schools as amended by circular and Education Welfare Act 2000)

Usually sanctions will relate as closely as possible to the behaviour.

Suspension and Expulsion

Before serious sanctions such as detention, suspension or expulsion are used, the normal channels of communication between school and parents will be utilised. Communication with parents may be verbal or by letter depending on the circumstances.

Where there are repeated instances of serious misbehaviour, the Chairperson of the Board of Management will be informed and the parents will be requested in writing to attend at the school to meet the Chairperson and the principal. If the parents do not give an undertaking that the pupil will behave in an acceptable manner in the future the pupil may be suspended for a period. Prior to suspension, where possible, the Principal may review the case in consultation with teachers and other members of the school community involved, with due regard to records of previous misbehaviours, their pattern and context, sanctions and other interventions used and their outcomes and any relevant medical information. Suspension will be in accordance with the Rules for National Schools and the Education Welfare Act 2000.

In the case of gross misbehaviour and or health & safety grounds:

- a) A single incident of gross misbehaviour: the Principal may request a meeting with the parents. If considered warranted the Principal reserves the right to suspend the pupil for 3 days initially. This power of suspension is delegated to the principal by the school Board of Management.
- b) In certain circumstances the Principal with the approval of their Chairperson of the BoM may suspend a pupil for 5 school days
- c) A meeting of the BoM may authorise further suspension up to a maximum of 10 days. Suspension will be in accordance with Section 23 of the Education Welfare Act 2000.
- d) Expulsion may be considered by the BOM.

Removal of Suspension (Reinstatement)

Following or during a period of suspension, the parent/s may apply to have the pupil reinstated to the school. The parent/s must give a written letter stating a satisfactory undertaking that a suspended pupil will behave in accordance with the school code and the Principal must be satisfied that the pupil's reinstatement will not constitute a risk to the pupil's own safety or that of the other pupils or staff. The Principal will facilitate the preparation of a behaviour plan for the pupil if required and will re-admit the pupil formally to the class.

Children with Special Needs

All children are required to comply with the code of behaviour. However the school recognises that children with special needs may require assistance in understanding certain rules. Specialised behaviour plans will be put in place in consultation with parents and the class teacher, learning support/ resource teacher, and or principal will work closely with home to ensure that optimal support is given. Cognitive development will be taken into account at all times. Professional advice from psychological assessments will be invaluable.

The children in the class or school may be taught strategies to assist a pupil with special needs adhere to the rules and thus provide peer support. This will be done in a supportive and safe way, acknowledging and respecting the difference in all individuals.

Communicating with Parents

Communicating with parents is central to maintaining a positive approach to dealing with children. Parents and teachers should develop a joint strategy to address specific difficulties, in addition to sharing a broader philosophy which can be implemented at home and in school.

A high level of co-operation and open communication is seen as an important factor encouraging positive behaviour in the school. Structures and channels designed to maintain a high level of communication among staff and between staff, pupils and parents have been established and are being reviewed regularly.

Parents are encouraged to talk in confidence to teachers about any significant developments in a child's life (in the past or present), which may affect the child's behaviour.

The following methods of communication are to be used within the school:

- Informal/formal parent/teacher consultations

Homework

It is the policy of the school to assign homework on a regular basis. The time taken for this will vary from child to child, but should in most cases take between 30 minutes and one hour. Homework is recorded in the pupil's journal/folder. Parents should sign the homework journal to confirm that the work has been fully attempted.

If for some reason homework (or part of it) cannot be completed, parents are asked to note this in the homework journal.

Generally, homework is not given at weekends. Written work must be done neatly and carefully. Graffiti on textbooks and copy books is not permitted. Please refer to the school Homework Policy for further information.
